### Bio:

Jason, a former sports anchor fulfilled his childhood dream of interviewing top performing athletes like Tiger Woods and Arnold Palmer. He now runs one of the most successful real estate teams, Jason Martin Group in Washington, DC. His firm has been featured in the Wall Street Journal as one of the top teams in the country.

“This Is Your Captain Speaking” is a collection of lessons and wisdom that Jason has learned throughout his life and career. In his book, Jason shares the importance of discipline, hard work and chasing one’s dreams — told through the lens of a father and family man sharing his life and journey with his loved ones.

### Speaking Topics:

- How his strong work ethic helped him land interviews with top performing athletes
- How he grew his real estate business to one of the top in the country
- His experience working with presidential candidates, state governors and US members of congress
- The importance of personal growth and how it has impacted all aspects of his life
- The importance of cherishing memories with your children
- How to create a living legacy for your loved ones

### Fun Facts:

- Enjoys scuba diving, tennis, golf and making memories with his family
- Has sold over \$700,000,000 in homes, and has been recognized by the Wall Street Journal as one of the top teams in the country
- During the pandemic, the Jason Martin Group helped raise over \$40,000 for local businesses
